

# We've really gone to town!

Town & Country Bank has moved into its new downtown St. George office located at 405 East St. George Boulevard. Our quaint and picturesque building reflects time-honored American craftsmanship, tradition and values. Our approach to banking does so, too. Drop by and discover customer service reminiscent of yesteryear—along with products and services that are unmistakably state-of-the-art! You'll soon learn why banking is a simple pleasure at locally-owned Town & Country Bank.

And don't miss our Grand Opening on February 25th from 11am to 2pm. Enter to win a flat screen TV, cash and other prizes, and enjoy lunch on us! *Dan Truman* from Diamond Rio will perform. It's all free.
