“Both of these professionals have delivered exceptional results in a challenging environment and they have become integrally involved in community affairs,” says Don Boshard, Senior Vice President and director of human resources for the bank. Town & Country has consistently outpaced its deposit and loan projections over the last 18 months, and Boshard says “Wendy and Shannon have played a major role in drawing new customers to the bank.” Town & Country Bank has \$50 million in assets, and it recently announced that it will be relocating both its banking office and loan production center to a new facility at 405 E. St. George Boulevard around year end.
