

PRESS RELEASE
Town & Country Bank
February 25, 2008

The Grand Opening for locally headquartered Town & Country Bank is scheduled for Monday, March 3th and Tuesday, March 4th at the bank's office near the intersection of River Road and 1450 South in St. George. Festivities will culminate at 11 AM on the 4th with a ribbon cutting event, followed by a free concert featuring Grammy Award winner Juice Newton. The entire community is invited.

The 11 AM ceremony will begin with a horse color guard performed by Bar 10 Beef and will be followed by the ribbon cutting and performances by local artists Phil & Cory Theobald and Juice Newton. Free food and prizes will be offered, including a cash prize of \$500, a high definition TV, two iPods and more. The concert will take place next to the bank at the west end of the parking lot of The Summit Athletic Club, which is co-sponsoring the event.

Town & Country Bank is the first St. George bank to open in more than six years, and its innovative approach includes teller-less Concierge Banking, a discount-laden debit card and the area's first bank-operated business courier service.
